II. The form of "Conditions of Service" which are signed by the men will be supplied on application to the War Office.

III. A copy of the form of letter authorizing these transfers, and of the "Conditions of Service," are printed in the Appendix [*not printed in Army List*] for the guidance of general officers commanding.

IV. Recommendations for men to be permitted to convert the unexpired portion of their service with the Colours into Reserve service will invariably be submitted, as at present, to the adjutant general.

G.O. 20.—Army Signalling.

I. The formation of classes at Aldershot for the instruction of officers and non-commissioned officers of Royal Artillery, Household troops, and Cavalry and Infantry of the Line in Army signalling, with a view to their qualifying for the positions of instructors and assistant instructors in their respective corps, will henceforth be arranged by the inspector of signalling at Aldershot; and general officers commanding the various military districts will therefore in future address all correspondence on this subject, and report all vacancies, to the inspector of Army signalling, Aldershot, instead of to the quartermaster general as heretofore.

II. Routes for assembling and dispersing the above-mentioned Army signalling classes will be issued by the general officer commanding at Aldershot.

III. Sect. 7, para. 121, of the "Queen's Regulations and Orders for the Army, 1873," as amended by G.O. 22 of 1878, will be altered accordingly.

G.O. 21.—Army Signalling.

I. The appended return [*not printed in Army List*], showing the relative efficiency of the signallers in each corps inspected by the inspector of Army signalling during the autumn of 1878, is published for general information.

II. The return, as a whole, shows a considerable amount of progress throughout the Service, in the study and practice of this important subject; but it is hoped that in the future a more general efficiency will be obtained by greater attention being given to the terms of para. 123, G.O. 22 of 1878, as regards the formation of classes and the carrying on of regimental and, whenever possible, brigade practice.

G.O. 22.—Transfers to Permanent Staff of Auxiliary Forces.

I. The general officer commanding the district in which the corps of the Auxiliary Forces is serving will forward the application for transfer to the general officer commanding the district or command in which the non-commissioned officer is serving, and the latter general officer will, if the application is regular and approved by the commanding officer, issue the necessary orders and route for carrying out the transfer under the regulations contained in Auxiliary and Reserve Forces Circulars.

II. A similar course will be followed in dealing with applications for the transfer of non-commissioned officers from the permanent staff of one corps of the Auxiliary Forces to the permanent staff of another serving in a different district.

III. G.O. 76 of 1877 will be amended accordingly.

G.O. 23.—Canteen Serjeants.

I. General officers commanding districts will in future confirm the appointments of canteen serjeants without reference to headquarters, the selection of a non-commissioned officer or pensioner resting as hitherto with the commanding officer, and changes in their appointments are no longer required to be reported to the quartermaster general.

II. Sect. 15, para. 71, "Queen's Regulations and Orders for the Army, 1873," will be amended accordingly.

GEN. ORDERS—*continued.*

G.O. 24.—Discipline.

The following sentence will be **erased in sect. 6, para. 12a, of the** "Queen's Regulations **and** Orders for the Army, 1873":—

"In the Royal Engineers, forfeiture or reduction of the several rates of "working pay may, in certain cases, be awarded."

G.O. 25.—Discipline.

Sect. 6, para 32, of the "Queen's Regulations and Orders for the Army, 1873," will be amended as follows:—

No non-commissioned officer or soldier who has been placed in arrest or confinement ought to be permitted to perform any duty (except carrying his own arms and accoutrements in marching, *or handing over any supplies of cash, stores, or accounts, for which he may be responsible*), until his case is disposed of. If, however, by error, such an offender has been permitted to perform any duty, he shall not thereby be absolved from liability to punishment for his offence; but may, if the proper authority shall think fit, be summarily punished, or be brought to trial before a court-martial, according to the circumstances of the case.

G.O. 26.—Discipline.

I. Sect. 6, para. 13, "Queen's Regulations and Orders for the Army, 1873," will be amended by the omission of the word "drunkenness" from the second line.

II. Attention is also called to para. 19 of the same section, which directs that imprisonment is only to be awarded when drunkenness is in connection with other offences.

G.O. 27.—Good-Conduct Medals.

The non-commissioned officers and men named in the accompanying list [*not printed in Army List*], have been awarded silver medals for "Long Service and Good Conduct," under the provisions of Articles 1074 to 1785 of the Royal Warrant of the 1st May, 1878 (Revised Army Regulations, Vol. I.). The medals will be prepared and issued as soon as possible, but the instructions regarding the grant of a gratuity to each recipient of the decoration cannot at present be issued.

G.O. 28.—Instruction of Officers for the appointment of Superintendent of Gymnasia.

The "Queen's Regulations and Orders for the Army, 1873," will be amended as follows. Sect. 10, after para. 1, *insert* the following as an additional para.:—

I. (*a*). A class for the instruction of officers for the appointment of superintendent of gymnasia will be formed at the gymnasium at Aldershot on the 1st January annually, and applications for officers to be permitted to attend it are to be made to the general officers commanding the districts where the officers are serving, who, if there is no objection, and it has been ascertained from the inspector of gymnasia that they can be received at the gymnasium, will sanction the arrangement. It must be clearly understood that such officers will have to defray their own travelling expenses both to and from Aldershot.

G.O. 29.—Instruction of Non-Commissioned Officers as Assistant Instructors in Gymnasia.

The "Queen's Regulations and Orders for the Army, 1873," will be amended as follows. Sect. 10, after para. 2, *add*:—

"A class for the instruction of non-commissioned officers is formed annually at the gymnasium at Aldershot on the 1st January, and applications from commanding officers for authority to detail candidates for training are to be made, accompanied by descriptive returns, through general officers commanding the districts in which they are serving to the inspector of gymnasia. These applications must reach the latter officer not later than the second week of December, so that he may guard against more candidates being detailed than can be instructed. General officers on receiving notification from the inspector as to those he can provide for will issue routes accordingly."

EN. ORDERS—*continued.*

G.O. 30.—Appointment of Non-Commissioned Officers as Assistant Gymnastic Instructors.

The "Queen's Regulations and Orders for the Army, 1873," will be amended as ollows. Sect. 10, after para. 2, *insert* the following as an additional para.:—

"2. (*a.*)—Applications for the appointment of duly certificated non-commissioned fficers to vacancies among the paid assistant instructors in the several gymnasia will e made to general officers commanding districts, who, should they have no objection ereto, will sanction the appointment and notify to the inspector of gymnasia the ate from which it takes effect."

G.O. 31.—Promotion of Non-Commissioned Officers.

With reference to G.O. 52 of 1874, care is to be taken that when brigade men are romoted to the rank of corporal at brigade depôts, they are posted to that battalion in ie depôt of which the vacancy exists, if they do not already belong to it, so that the ue proportion of non-commissioned officers may be maintained in the depôt of each attalion.

G.O. 32.—Soldiers' Passes.

I. The following will be added to sect. 6, para. 40, of the "Queen's Regulations and rders for the Army, 1873":—

Passes will be issued under the following regulations:—

(*a*) All passes will be printed. They will be signed by the commanding officer and stamped with the office stamp of the regiment before being issued to the men.

(*b*) The date of last entry, distinguished by the letters R.E., C.E., will be recorded by the officer commanding the company, and signed by him.

(*c*) Admonition will not count as an entry.

(*d*) The date of last entry (unnecessary in the case of non-commissioned officers) should be recorded on a marginal strip, capable of being removed before the pass is given to the soldier.

(*e*) A soldier is not to be recommended for a pass (excepting under very special circumstances) within one month of the last company entry, or within two months of the last regimental entry, or of his release from imprisonment.

II. G.O. 36 of 1875 is hereby cancelled.

By command,

C. H. ELLICE, *Adj. Gen.*

REGULATIONS RESPECTING

FOREIGN MEDALS.

148
533 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

SIMPSON & NEPHEW,

Hunting and Military Saddlers,

WHIP & HARNESS MANUFACTURERS,

325, NEW CROSS ROAD, LONDON.

ESTABLISHED A.D. 1784.

TERMS—10 per cent. discount for prepayment; 5 per cent. discount, with 3 months' credit, or 6 months' credit nett, or an extension of credit by arrangement.

ROYAL ARTILLERY OFFICERS' HORSE EQUIPMENTS, best quality, complete for £23, guaranteed strictly to Regulation.

TO OFFICERS OF THE ARMY.

WE have the pleasure to offer a revised and reduced List of Prices for plain and Military Saddlery, Harness, Horse Clothing, &c.

On account of the competition of Co-operative Societies, dealing exclusively on a ready-money basis, we have found it desirable to lower our prices, and allow a liberal discount for prompt payment, with the option of reasonable credit on nett terms, if preferred. Taking this into consideration, it will be seen that our prices bear comparison with co-operative quotations, and for make, style and durability our manufactures are acknowledged to be greatly superior. Whilst contenting ourselves with a small profit, we shall endeavour to keep up the high standard of excellence which has made our goods well known and appreciated for the past century. All commands will have immediate attention.

SIMPSON & NEPHEW.

DENT'S CHRONOMETERS,

WATCHES, and CLOCKS have long held pre-eminent rank, as may be seen from the Reports of various scientific persons:—

THE ASTRONOMER ROYAL, (SIR G. B. AIRY,) in his Report to the Admiralty (**13th of August, 1870**) on the forty Chronometers entered for annual competition, says of M. F. DENT'S Chronometer—

"THIS IS THE FINEST CHRONOMETER THAT WE HAVE EVER HAD ON TRIAL."

N.B.—The LATE ASTRONOMER ROYAL (J. POND, Esq.), reporting in 1829 on the celebrated public trial, by order of The Lords of the Admiralty, which lasted thirteen years, during which nearly 500 Chronometers were tested, says:

"Your Chronometer, No. 114, is entitled to the First Premium. Actual variation in the year 0·54 hundredths of a second. This is superior to any other yet tried."

THE RUSSIAN IMPERIAL ASTRONOMER, M. STRUVE, of St. Petersburgh, reporting upon 81 Chronometers tested by the Russian Chronometrical Expedition, in 1843, says:

"The DENT CHRONOMETERS have held FIRST RANK in a brilliant manner. They contributed, beyond dispute, THE MOST EFFECTUALLY to the exactitude of the results.

"M. STRUVE."

*** *By Command of the Emperor, the Russian Gold Medal of the Highest Order of Merit was presented to Mr. DENT.*

SIR WILLIAM ARMSTRONG, Inventor of the Armstrong Gun, says:—

"9, HYDE PARK STREET, W., *14th November*, 1861.

"The Chronometer Watch you made for me in December, 1859, has never been affected by travelling or riding; its variation at the end of a year was only 45 seconds. It has proved in every respect a most satisfactory Watch.

"W. G. ARMSTRONG.

"**Mr. M. F. DENT,**
33, Cockspur Street, Charing Cross."
